**About this Issue**

We are happy to mention that this Issue carries ten research papers, one book review and as a special feature, a monograph in geostrategic studies. The titles, authors, doi links and a brief bio of the authors are in the subsequent pages.

Four of the papers in this Issue by Dr Stephen P. Westcott, Joseph Moses, Aishwarya RJ and Jofin Joy were presented by the authors as papers in the webinars organized by the Journal in 2021. We do hope that these publications will add to the discourses the webinars produced.
